At BVVS Ayurved Hospital a free camp was organised from the Department of Kayachikitsa on Joint **Related Disorders** on 18th & 19th March 2019.

During the camp more than 30 patients were treated who were suffering with different Joint related disorders like Osteoarthritis, Rheumatoid Arthritis, Low Back Pain, Cervical Spondylosis and etc. In this camp free consultation and examination was done and with reliable charges different Panchakarma procedures were also advised to the patients. The Principal of the college Dr M.M.Salimath addressed all the patients regarding the importance of taking the treatment for different joint related disorders especially how to develop the mental strength to manage and to overcome such diseases.

The chief consultants for this camp were from the Department of Kayachikitsa,

Dr Shivaleela Kalyani, Dr Sunilkumar M. Chabanur and all the KC PG scholars were also actively participated in the camp.
