HOSPITAL, BAGALKOT -587101.**

**DEPARTMENT OF SHALYATANTRA
A Report on “Free Check-Up Camp on Sandhivata”
17th & 18th December- 2018**

Sandhivata is strongly associated with ageing and causes pain and disability in older people. Knee osteoarthritis is the global problem. In view of increased incidence of Sandhivata, the Department of PG studies in Shalyatantra, BVVS Ayurved Medical College and Hospital, Bagalkot conducted two days “**Free Check- Up Camp on Sandhivata**” 17th and 18th December 2018 at our Hospital.

Camp began with Inauguration by lighting the lamp by our beloved principal Dr. M. M. Salimath sir. During the inaugural, departmental faculty members, PG scholars, interns, camp beneficiaries were present. On the first day around 14 and on second day around 04 patients took benefit of camp. In this camp the patients of Sandhivata were examined, oral medication and Parasurgical treatment i.e Agnikarma procedure was done in selected patients, free of cost.

The camp was successful with positive feedback from patients. It was team work of Dr. M.M Salimath, Dr. Pallavi A. Hegde, Dr. Yogesh S. Kulkarni, Dr. Amit
